

# MASKELYNE CANOE RACE & ART FESTIVAL

## 28-29 JULY 2017

Join us in this exciting annual event and cultural festival. There's a celebration of kastom dance, canoe-making, feasts of local kae and fresh seafood, kava tasting, and of course Vanuatu's ultimate outrigger canoe race followed by the event's big 'Island Night'.

Following the 2-day event join the Maskelyne community Independence Day Celebrations on the 30th July. It's a great opportunity to hang out with the community during this festive time and take in other local attractions.

There's the popular 4-day outrigger canoe trip which includes dugong (sea-cow) spotting, visiting the giant clamshell sanctuary. Several beautifully located bungalows offer a base to relax and enjoy the festive week and explore the Maskelyne area.
